## Driver Training Course – 27 Programs

The comprehensive Driver Training Course presents 27 training programs covering every aspect of safely transporting students. The foundational programs of Safety Best Practices and LLLC Defensive Driving clearly explain the definition of safety, the definition of risk and exactly how to remove or reduce risk in every action drivers perform.

**When all levels of employees have received the required training, they can work together to foster a Safety Culture.**

# The Trifecta of School Bus Safety

Three courses working together to achieve the safest performance

Instilling a Safety Culture requires that all leadership, managers, supervisors, trainers and drivers be trained at the highest levels. This requires training materials that teach all three groups – the trifecta of training courses.

## The Trifecta

### Essential roles to instill a Safety Culture

This trifecta of training ensures everyone works in the same direction, using the same messages, the same practices for the same outcomes.

### What is the advantage of using all three courses?

**Safety Leadership:** Transform your leadership team into safety champions. This course provides strategies and tools to instill a safety-first mindset across your organization. Effective safety leadership is the cornerstone of reducing accidents and saving lives.

**Train The Trainer:** Equip your trainers with the skills and knowledge to deliver exceptional training. Our Train the Trainer course ensures your team is confident, consistent and effective when teaching drivers. Empowered trainers lead to well prepared drivers.

**Driver Training Course:** Provide your drivers with comprehensive FMCSA compliant training that goes well beyond the federal and state requirements. This course ensures drivers are skilled, safety conscious, and ready for the road. It's the ultimate way to set new drivers up for success.
